1. Scope

Day-to-day guide for screens a Merchant login can open.
Menus follow HQ Policy ? Access permissions. Hidden menus need HQ/distributor access grants.
PG names stay neutralized as ICOPAY on merchant/buyer UI.

2. Sign-in

1) Sign in 2) Sidebar shows permitted menus only 3) Switch language KO/EN/JP/CH/TH 4) Check dashboard summary if shown

3. Notices

Path: Companies ? Notices
Read HQ/distributor announcements after login.

4. Company info ? Payment URL

Path: Companies ? Company info
Payment URL: public checkout (e.g. https://domain/checkout/{compCode}). Use Copy.
Re-pay / Chatbot / Split-pay URLs appear when enabled.
Steps: open Company info ? Copy Payment URL ? verify in browser.
Note: Off/Suspended web-pay may block the URL.

5. Payment list

Path: Payments ? Payment list
Search by period/status/keyword. Review approvals, failures, cancels, refunds.
Channel lists (if permitted): URL, Chatbot, Subscription/Split.

6. Fees & settlement

Path: Settlement ? Fee list / Daily fees / Merchant settlement
Rates follow HQ/distributor policy. Include settlement date and amount when asking support.

7. Merchant API & Chatbot
Companies ? Merchant API: keys/docs (if permitted). Use ICOPAY unified checkout.
Chatbot admin: manage products/orders and share Chatbot payment URL.

8. Ops manuals menu
Path: Operations ? Ops manuals
Pick a language and open a PDF manual in a new window.

9. Daily checklist
1 Notices 2 Payment URL 3 Today/yesterday approvals & failures 4 Escalate spikes with order ids 5 Fee/settlement check 6 Chatbot orders if used

10. Support
Ask HQ/distributor to grant missing page URLs. Document version V2.67.
